FINANCIAL RISK MANAGER (FRM®)

Review Program

BACKGROUND

Financial Risk Manager (FRM®) is a prestigious professional designation for professionals that are involved in financial and risk management. The assessment Examination is conducted once a year every November and is held all over the world by GARP (Global Association of Risk Professionals) at the same time.
The BINUS Financial Risk Academy are design for FRM® candidates and anyone who wants to improve his/her knowledge financial and risk management, including practitioners/professionals, faculty members, and students.

Standard of the FRM® are acknowledged internationally. There are a lot of Master programs that offers specialization on risk management but there is only one FRM®. Organizations that employ FRM® holders are as follows: banks and other financial institutions such as multi-finance, insurance, and pension fund, and also consulting companies and investment bankers.
